Explanatory Statement

1. Introduction

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company material to a decision on how to vote on the Resolutions in the accompanying Notice of General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of General Meeting.

Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

2. Placement

2.1 Overview

On 25 June 2019, the Company announced that it had secured approximately \$1.5 million in funding (after costs) via a two-tranche placement of Shares to professional and sophisticated investors (**Placement**).

In total, the Placement relates to the issue of 12,230,774 fully paid ordinary shares in the Company at \$0.13 per Share to raise approximately \$1,590,000 (before costs).

As announced to ASX on 25 June 2019, the funds raised under the Placement will be used to accelerate the Company's plans to grow revenue in both system sales and rentals, with the bulk of the funds raised to be applied towards developing the Company's outbound sales model, including salespersons and marketing investments.

Additionally, Spectur will use the funds to accelerate the development of the next generation of Internet of Things (IoT) platform technologies by extending the leading performance of the current Spectur solutions suited for the Company's target markets of government and utilities, and growing the foundation of the business in building and civil construction.

The balance of funds will be used to provide sufficient working capital to support accelerated top line performance.

PAC Partners acted as lead manager to the Placement.

2.2 Placement Tranche 1

The first tranche of the Placement (**Placement Tranche 1**) consisted of the issue of 8,460,344 fully paid ordinary shares at \$0.13 per Share pursuant to the Company's existing 15% placement capacity in accordance with Listing Rule 7.1. The issue of these Shares did not breach Listing Rule 7.1.

The placees under Placement Tranche 1 were unrelated professional and sophisticated investors identified by PAC Partners (**Placement Tranche 1 Participants**).

The issue of shares under Placement Tranche 1 was completed with Shares issued on 2 July 2019 and 4 July 2019.

2.3 Placement Tranche 2

The second tranche of the Placement (**Placement Tranche 2**) consists of applications for a further 3,770,430 fully paid ordinary shares at \$0.13 per Share.

The Company does not have capacity to issue the Shares under Placement Tranche 2 without Shareholder approval. Accordingly, subscriptions under Placement Tranche 2 are conditional upon the Company obtaining such approval under Listing Rule 7.1.

Two directors of the Company, Darren Cooper and Gerard Dyson, intend to participate in the Placement Tranche 2. Other than these applicants, the placees under Placement Tranche 2 are unrelated professional and sophisticated investors identified by PAC Partners (**Placement Tranche 2 Participants**).

3. Resolution 1: Ratification of issue of Shares under Placement Tranche 1

3.1 Background

Resolution 1 is an ordinary resolution seeking ratification and approval by Shareholders of the prior issue of Shares under Placement Tranche 1. As noted above, the Tranche 1 Placement Shares were issued under the Company's Listing Rule 7.1 issuing capacity. The issue did not breach Listing Rule 7.1.

3.2 Applicable Listing Rules

Listing Rule 7.1 provides that shareholder approval is required for an issue of Equity Securities if the Equity Securities will, when aggregated with the Equity Securities issued by a company during the previous 12 months, exceed 15% of the number of Equity Securities on issue at the commencement of that 12-month period.

Listing Rule 7.4 states that an issue by a company of Equity Securities made without approval under Listing Rule 7.1 is treated as having been made with approval for the purpose of Listing Rule 7.1 if the issue did not breach Listing Rule 7.1, and the company's shareholders subsequently approve it.

If Resolution 1 is approved, the Company's issuing capacity under Listing Rule 7.1 will be restored. This will give the Company the ability to issue further Equity Securities representing up to 15% of the Company's issued capital under Listing Rule 7.1 in the next 12 months.

3.3 Listing Rule information requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 1:

(a) **Number of securities issued**

8,460,344 Shares were issued under Placement Tranche 1.

(b) **The price at which the securities were issued**

The Shares were issued for \$0.13 per Share.

(c) **The terms of the securities**

The Shares were fully paid ordinary shares that rank equally with all existing Shares on issue.

(d) **The names of the persons to whom the securities were issued or the basis on which those persons were determined**

The Shares were issued to the Placement Tranche 1 Participants, being investors identified by PAC Partners.

None of the Placement Tranche 1 Participants are Related Parties of the Company.

The Placement Tranche 1 Participants are sophisticated or professional investors for the purposes of the Corporations Act, being investors to whom securities may be issued without a prospectus or other disclosure document.

(e) **The use or intended use of the funds raised**

The funds raised from Placement Tranche 1 will be applied as set out in Section 2.1.

3.4 **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1 as it will refresh the Company's issuing capacity under Listing Rule 7.1 and provide the Company the flexibility to raise additional working capital through the offer and issue of Equity Securities, if and as required.

4. **Resolution 2: Approval of issue of Shares under Placement Tranche 2**

4.1 **Background**

Resolution 2 is an ordinary resolution seeking approval by Shareholders of the issue Shares under the Placement Tranche 2 to those Placement Tranche 2 Participants who are not Related Parties of the Company.

4.2 **Applicable Listing Rules**

As outlined in Section 3.2, Listing Rule 7.1 provides that shareholder approval is required for an issue of Equity Securities if the Equity Securities will, when aggregated with the Equity Securities issued by a company during the previous 12 months, exceed 15% of the number of Equity Securities on issue at the commencement of that 12-month period.

If Resolution 2 is not approved, the Company will not be able to fulfil its obligation to issue Shares under Placement Tranche 2, and therefore will not be entitled to retain those funds.

If Resolution 2 is approved, the Shares to be issued under the Placement Tranche 2 will be exempt from the 15% limit under Listing Rule 7.1, thereby preserving such capacity.

4.3 **Listing Rule information requirements**

In accordance with the disclosure requirements of Listing Rule 7.3, the following information is provided in relation to Resolution 2:

(a) **Number of securities to be issued**

3,068,339 Shares are to be issued under this Resolution 2.

(b) **The date or dates on or by which the entity will issue the securities**

The Company will issue the Shares to the Placement Tranche 2 Participants within 3 months after the date of the General Meeting.

The Company anticipates issuing the Shares on the day of, or immediately following, the General Meeting.

(c) **The issue price of the securities**

The Shares are to be issued for \$0.13 per Share, the same price as under the Placement Tranche 1.

(d) **The names of the persons to whom the securities will be issued or the basis on which those persons will be identified or selected**

The Shares will be issued to the Placement Tranche 2 Participants, being investors identified by PAC Partners.

None of the Placement Tranche 2 Participants who will be issued with Shares under this Resolution 2 are Related Parties of the Company.

The Placement Tranche 2 Participants are sophisticated or professional investors for the purposes of the Corporations Act, being investors to whom securities may be issued without a prospectus or other disclosure document.

(e) **The terms of the securities**

The Shares to be issued under the Placement Tranche 2 will be fully paid ordinary shares that rank equally with all existing Shares on issue.

(f) **The use or intended use of the funds raised**

The funds raised by the issue of Shares under this Resolution will be applied on the basis set out in Section 2.1 above.

4.4 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2 to enable the Company to fulfill its obligation to issue Shares under Placement Tranche 2 and retain the relevant funds raised. If Resolution 2 is not approved, the Company will not be able to do so.

Approving Resolution 2 will also preserve the Company's issuing capacity under Listing Rule 7.1.

5. Resolution 3: Approval of issue of Placement Tranche 2 Shares to Chairman – Darren Cooper

5.1 Background

As outlined in Section 2.3, the Company's Non-Executive Chairman, Darren Cooper, has applied for Shares under the Placement Tranche 2 on the same terms as all non-Related Parties.

Resolution 3 is an ordinary resolution seeking approval by Shareholders of the issue of Shares under the Placement Tranche 2 to Mr Cooper.

5.2 Corporations Act exemption

Chapter 2E of the Corporations Act prohibits the giving of a financial benefit (including the issue of shares) by a public company to a Related Party (e.g. a director or an entity controlled by a director) of that company without shareholder approval, unless the giving of the benefit falls within a nominated statutory exception.

Section 210 of the Corporations Act provides an exception this requirement where the giving of a financial benefit would be reasonable in the circumstances if the public company and the Related Party were dealing at arm's length.

The Shares proposed to be issued to Mr Cooper are to be issued at the same price, and otherwise on the same terms, as those issued to non-Related Party subscribers under the Placement.

The Directors (other than Mr Cooper and Dr Dyson, who has similarly subscribed for Shares under the Placement Tranche 2 – see Resolution 4 below) consider that:

- (a) the participation and issue of Shares to Mr Cooper under the Placement Tranche 2 may constitute a financial benefit for the purposes of Chapter 2E of the Corporations Act;
- (b) the terms and conditions of the Placement reflect arm's length terms, as they were negotiated between the Company and Pac Partners (not a Related Party);
- (c) any Shares issued to Mr Cooper under this Resolution will therefore be issued on the same terms and conditions that would be reasonable in the circumstances if the Company and Mr Cooper were dealing at arm's length; and
- (d) Shareholder approval under Chapter 2E is therefore not required in these circumstances.

5.3 Applicable Listing Rules

Listing Rule 10.11 provides that an entity must not issue or agree to issue any Equity Securities to a Related Party without shareholder approval.

Mr Cooper is a Related Party of the Company by virtue of being the Non-Executive Chairman.

If Resolution 3 is approved, separate approval for the issue of Shares to Mr Cooper will not be required under Listing Rule 7.1.

5.4 **Listing Rule information requirements**

In accordance with the disclosure requirements of Listing Rule 10.13, the following information is provided in relation to Resolution 3:

(a) **Name of the person**

This Resolution 3 proposes the issue of Shares to Darren John Cooper or his nominee.

(b) **Number of securities to be issued**

Mr Cooper has conditionally subscribed for 394,398 under the Placement Tranche 2.

(c) **The date on or by which the entity will issue the securities**

The Company will issue the Shares to Mr Cooper within 1 month after the date of the General Meeting.

The Company anticipates issuing the Shares on the day of, or immediately following, the General Meeting.

(d) **The issue price of the securities and the terms of the issue**

The Shares will be issued for \$0.13 per Share, the same price as the issue of all other Shares under the Placement. The total amount to be raised from these Shares is \$51,271.74.

The Shares to be issued will be fully paid ordinary shares that rank equally with all existing Shares on issue.

(e) **The use or intended use of the funds raised**

The funds raised by the issue of Shares under this Resolution will be applied on the basis set out in Section 2.1 above.

5.5 **Directors' recommendation**

The Directors (other than Mr Cooper and Dr Dyson) unanimously recommend that Shareholders vote in favour of Resolution 3 to enable the Company to fulfill its obligation to issue Shares to Mr Cooper under Placement Tranche 2 and retain the relevant funds raised. If Resolution 3 is not approved, the Company will not be able to do so.

Mr Cooper has a material interest in the outcome of Resolution 3 and therefore declines to make any recommendation as to how Shareholders should vote on that Resolution.

Dr Dyson does not have a material interest in the outcome of Resolution 3 but has a material interest in the outcome of Resolution 4, which similarly seeks approval for the issue of securities under the Placement Tranche 2. He therefore declines to make any recommendation as to how Shareholders should vote on Resolution 3.

6. **Resolution 4: Approval of issue of Placement Tranche 2 Shares to Managing Director – Gerard Dyson**

6.1 **Background**

As outlined in Section 2.3, the Company's Managing Director, Gerard Dyson, has applied for Shares under the Placement Tranche 2 on the same terms as all non-Related Parties.

Resolution 4 is an ordinary resolution seeking approval by Shareholders of the issue of Shares under the Placement Tranche 2 to Dr Dyson.

6.2 **Corporations Act exemption**

For the same reasons outlined in Section 5.2, the Directors (other than Dr Dyson and Mr Cooper, who has similarly subscribed for Shares under the Placement Tranche) do not consider that Shareholder approval under Chapter 2E of the Corporations Act is required in relation to the issue of Shares to Dr Dyson under Resolution 4.

6.3 **Applicable Listing Rules**

Listing Rule 10.11 provides that an entity must not issue or agree to issue any Equity Securities to a Related Party without shareholder approval.

Dr Dyson is a Related Party of the Company by virtue of being the Managing Director.

If Resolution 4 is approved, separate approval for the issue of Shares to Dr Dyson will not be required under Listing Rule 7.1.

6.4 **Listing Rule information requirements**

In accordance with the disclosure requirements of Listing Rule 10.13, the following information is provided in relation to Resolution 4:

(a) **Name of the person**

This Resolution 4 proposed the issue of Shares to Gerard John Dyson or his nominee.

(b) **Number of securities to be issued**

Dr Dyson intends to subscribe for 307,693 under the Placement Tranche 2.

(c) **The date on or by which the entity will issue the securities**

The Company will issue the Shares to Dr Dyson within 1 month after the date of the General Meeting.

The Company anticipates issuing the Shares on the day of, or immediately following, the General Meeting.

(d) **The issue price of the securities and the terms of the issue**

The Shares will be issued for \$0.13 per Share, the same price as the issue of all other Shares under the Placement. The total amount to be raised from these Shares is \$40,000.09.

The Shares to be issued will be fully paid ordinary shares that rank equally with all existing Shares on issue.

(e) **The use or intended use of the funds raised**

The funds raised by the issue of Shares under this Resolution will be applied on the basis set out in Section 2.1 above.

6.5 **Directors' recommendation**

The Directors (other than Dr Dyson and Mr Cooper who has similarly subscribed for Shares under the Placement Tranche 2 – see Resolution 3 above) unanimously recommend that Shareholders vote in favour of Resolution 4 to enable the Company to fulfill its obligation to issue Shares to Dr Dyson under Placement Tranche 2 and retain the relevant funds raised. If Resolution 4 is not approved, the Company will not be able to do so.

Dr Dyson has a material interest in the outcome of Resolution 4 and therefore declines to make any recommendation as to how Shareholders should vote on that Resolution.

Mr Cooper does not have a material interest in the outcome of Resolution 4 but has a material interest in the outcome of Resolution 3, which similarly seeks approval for the issue of securities under the Placement Tranche 2. He therefore declines to make any recommendation as to how Shareholders should vote on Resolution 4.

7. Resolution 5: Approval of issue of Advisor Options to PAC Partners

7.1 Background

As outlined in Section 2.1, PAC Partners acted as lead manager to the Placement.

In consideration for providing its lead manager services, PAC Partners and other brokers who assisted with the Placement are entitled to be paid or issued pursuant to its capital raising mandate:

- brokerage fees totaling \$115,000 (plus GST);
- 4,000,000 options, exercisable at \$0.20 on or before 31 December 2020 (**Advisor Options**); and
- reimbursement of its reasonable costs and professional fees and expenses incurred in relation to the Placement.

Spectur is contractually required to seek Shareholder approval for the issue the Advisor Options to Pac Partners and, if such approval is obtained (i.e. Resolution 5 is approved), to issue the Advisor Options.

If Resolution 5 is not approved, Spectur will be required to pay Pac Partners the equivalent value of the Advisor Options in cash. For this purpose, the value of the Advisor Options is to be \$0.034 per Option based on the Black-Scholes Model taking into account the following variables:

- Strike Price - \$0.2000
- Last Close Price - \$0.1200 per last close on Monday, 8 July 2019
- Expiry Date - 31 December 2020
- Risk Free Rate – 1.01% (RBA 2-year bond rate)
- Volatility – 90%

If Resolution 5 is not approved the cash amount that would be payable by the Company to Pac Partners is \$136,000.

Resolution 5 is an ordinary resolution seeking approval by Shareholders of the issue of Advisor Options to PAC Partners.

7.2 Applicable Listing Rules

As outlined in Section 3.2, Listing Rule 7.1 provides that shareholder approval is required for an issue of Equity Securities if the Equity Securities will, when aggregated with the Equity Securities issued by a company during the previous 12 months, exceed 15% of the number of Equity Securities on issue at the commencement of that 12-month period.

If Resolution 5 is approved, the Advisor Options will be exempt from the 15% limit under Listing Rule 7.1, thereby preserving the Company's issuing capacity under that rule.

7.3 Listing Rule information requirements

In accordance with the disclosure requirements of Listing Rule 7.3, the following information is provided in relation to Resolution 5:

(a) **Number of securities to be issued**

4,000,000 Advisor Options are to be issued.

(b) **The date or dates on or by which the entity will issue the securities**

The Company will issue the Advisor Options to PAC Partners on one date within 3 months after the date of the General Meeting.

The Company anticipates issuing the Advisor Options on the day of, or immediately following, the General Meeting.

(c) **The issue price of the securities**

The Advisor Options will be issued for nil cash consideration. Rather, the Advisor Options will be issued in consideration for services performed by PAC Partners as lead manager to the Placement.

(d) **The names of the persons to whom the securities will be issued or the basis on which those persons will be identified or selected**

The Advisor Options will be issued to PAC Partners or its nominees.

PAC Partners is not a Related Party of the Company, and meets the requirements of being a professional investor for the purposes of the Corporations Act as it is an Australian financial services licensee. Therefore, securities may be issued to Pac Partners without a prospectus or other disclosure document.

(e) **The terms of the securities**

Each Advisor Option has an exercise price of \$0.20 and an expiry date of 31 December 2020, and is otherwise issued on the terms set out in the Schedule.

The Advisor Options are to be issued on the same terms as the Company's existing class of SP30 quoted Options.

The Company intends to apply for quotation of the Advisor Options as part of the SP30 class.

(f) **The use or intended use of the funds raised**

The Company will not raise any funds from the issue of Advisor Options to PAC Partners. If the Advisor Options are exercised, the Company will receive up to \$800,000 as the exercise price. These funds will be applied by the Company to its working capital requirements at that time.

7.4 **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 5 as it will enable the Company to issue the Advisor Options in satisfaction of its obligations under the Pac Partners mandate. Further, Resolution 5 will preserve the Company's cash reserves.

- (ii) Subject to the Corporations Act and the Listing Rules, the Option Holder may transfer some or all of the Advisor Options at any time before the Expiry Date by:
 - A. a proper ASX Settlement transfer or any other method permitted by the Corporations Act; or
 - B. a prescribed instrument of transfer.

An instrument of transfer of an Advisor Option must be:

- (i) in writing;

- (iii) subject to the Corporations Act, executed by or on behalf of the transferor, and if required by the Company, the transferee; and

The Company must give the Option Holder notice of the proposed terms of the issue or offer in accordance with the Listing Rules.
- (ii) Bonus issues: If the Company makes a bonus issue of Shares or other securities to Shareholders (except an issue in lieu of dividends or by way of dividend reinvestment) (**Bonus Issue**) and a Share has not been issued in respect of the Advisor Option before the record date for determining entitlements to the Bonus Issue, then the number of underlying Shares over which the Advisor Option is exercisable will be increased by the number of Shares which the Option Holder would have received if the Option Holder had exercised the Advisor Option before the record date for determining entitlements to the Bonus Issue.
- (iii) Pro rata issues: If the Company makes a pro rata issue of Shares (except a Bonus Issue) to shareholders (except an issue in lieu of dividends or by way of dividend reinvestment) (**Pro Rata Issue**) and a Share has not been issued in respect of the Advisor Option before the record date for determining entitlements to the Pro Rata Issue, the Exercise Price of each Advisor Option will be reduced in accordance with the Listing Rules.

- (ii) Any calculations or adjustments which are required to be made will be made by the Company's Directors and will, in the absence of manifest error, be final and conclusive and binding on the Company and the Option Holder.

VOTING UNDER STEP 1 - APPOINTING A PROXY

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chairman of the Meeting will be appointed as your proxy by default.

All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise.
