Dear Valued Spectur Clients

COVID-19 – ESSENTIAL SERVICES –SUPPLY NOTIFICATION

I am writing to let you know that Spectur is focused on providing safe and reliable remote solutions to our customers during the COVID-19 pandemic. We acknowledge the challenge faced by businesses during this period, particular in relation to asset security and protection, and we confirm that as your trusted provider, we remain available to help.

Spectur continues to operate its remote 3G/4G-based Security Solutions and IoT platforms, 24/7 and we are able to confirm the continuity of supply and service to our operations and for our customers during this period.

As a platform provider to government and utilities, building and construction, mining and transport and logistics, Spectur is deemed an essential service provider.

Spectur is committed to ensuring our employees, clients, and suppliers always remain safe and follow the advice of the Australian Government and the Department of Health for their work practices. We have put in place a number of measures to ensure we are following social distancing guidelines and other preventative actions for the safety of key team members in our sales and field teams.

We confirm that Spectur has enacted its

1. Pandemic Policy and COVID-19 Response Strategy
2. Updated Occupational Health and safety procedures
3. Pandemic Management Plan.

This is an ongoing and dynamic situation, and we will provide further updates to you should circumstances arise.

If you have any questions, please contact admin@spectur.com.au

Yours sincerely

Gerard Dyson
Managing Director
